An amazing story about monsters but also friendship, faith and purpose in life.

A stylized illustration of a stone archway in a jungle. The archway is made of large, light-colored stones and is flanked by thick tree trunks. Sunlight filters through the dense foliage of ferns and other plants in the foreground and background, creating a warm, golden glow. Two small children, a girl in a dress and a boy in a shirt and shorts, are walking away from the viewer through the archway towards two bright, circular light sources in the distance. The word "NOVELS" is written in a simple, orange, sans-serif font in the center of the image.
